## APPLICATION FOR SPECIAL EXEMPTION

Section 6 of the Fencing of Swimming Pools Act 1987

I (print name) ..... hereby apply for a special exemption under the provisions of Section 6 of the Fencing of Swimming Pools Act 1987.

The property in respect of which this application is made is situated at

(address) .....  
 .....

The pool is owned by (print property owners name) .....

This exemption application relates to (give full description of the type of exemption required) .....  
 .....  
 .....

**Comment:**

*An exemption application in relation to the immediate pool area should only be made if you accept the Council's assessment of this area in relation to your property, and you are seeking to be exempt from the requirement in the Act to fence the assessed area with a fence that complies with the Building Code.*

*If you do not agree with the Council's assessment of the immediate pool area, you should apply to the Department of Building for a determination under section 177 of the Building Act 2004 on "whether particular matters comply with the building code".*

I believe it is impracticable to comply with the above Act because:- (provide all documentation that is to be presented to the panel. Attach separate sheets as required. Additional information presented on the day of the hearing could result in the hearing being adjourned to a later date).

.....  
 .....

- Note:**
- The Council can grant an exemption only when it is satisfied that the danger to young children would not be significantly increased.
  - If you wish to be present at the hearing please tick the appropriate box.      Yes       No

Please send notifications to (address):

.....  
 .....  
 .....  
 .....

.....  
 (Signed by or on behalf of the Pool Owner)

Date: .....

Contact telephone number: .....

**THIS APPLICATION MUST BE ACCOMPANIED BY THE INSPECTION FEE, DRAWINGS AND SPECIFICATIONS AS DETAILED OVERLEAF**

**Site Plan and Details**

Drawings of the whole site must be provided. Show the north point, all buildings, the pool, the immediate pool area, details of the height, construction, position of the rails, size of openings of all fences and gates; and all doors, windows and gates giving access to the immediate pool area including type, details of hardware, latches and self closing devices as appropriate.

Show the means by which the pool is filled and emptied including, layout of drainage, backflow prevention, backwash discharge point and arrangements for emptying the pool via a gully trap.
