

Android

- Visit Android Marketplace on your phone.
- Surf to <http://www.libanywhere.com/la/getandroid.html>
- Download and install the application
- Load the app and search for 'New Zealand / Nelson' to make it your default search page.

iPhone / iPad / iPod

- Visit App store on your phone and search for 'Lib Anywhere'.
- Download and install the application.
- Load the app and search for 'New Zealand / Nelson / ' to make it your default search page.

Blackberry

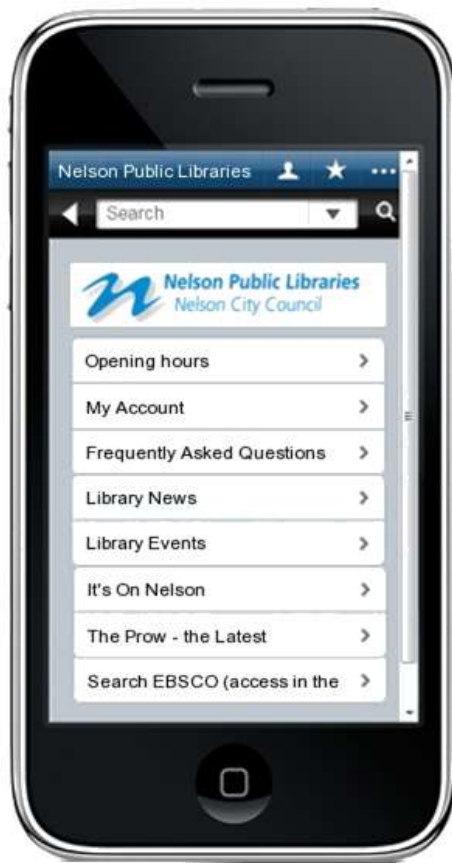

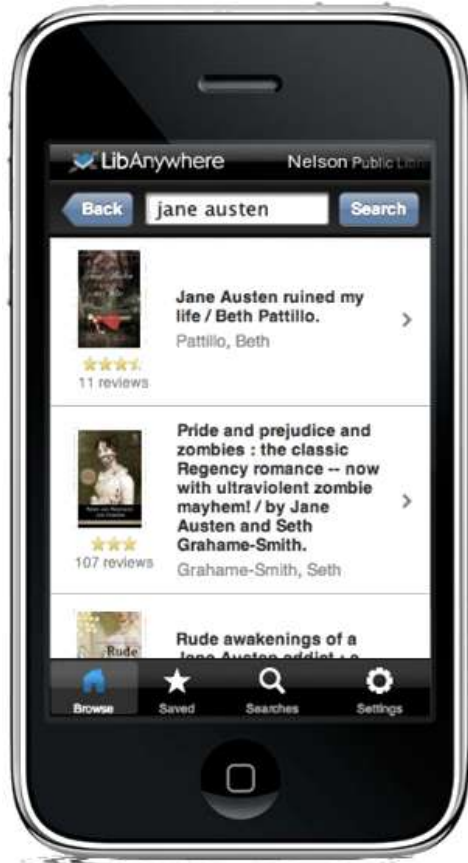

- Use the universal mobile web version that works on any phone including a Blackberry.
- Simply point your cell phone's browser to:
<http://m.nelsonpubliclibraries.co.nz>

Universal version

- In addition to the Android and iPhone/iPod/iPad apps, Library Anywhere has a Universal mobile web version.
- Simply point your cell phone's browser to:
<http://m.nelsonpubliclibraries.co.nz>

Our library catalogue is now available for your mobile phone or any mobile device - in a new and **IMPROVED VERSION!**

LibraryAnywhere Nelson Public Libraries in your pocket

Search results, display order, holdings info and My Account are always identical with the library public catalogue.

MAIN FEATURES

- Place holds, see your checked-out items, pending fines and fees and reading history. You can 'star a record' to bookmark and access it later on.
- Surf via direct links to E-books and Audio books content, mobile databases, or libraries' Twitter page.
- See Opening Hours and locations.
- Check the latest Libraries' News and Events.
- Ask a librarian.
- Use Geo-location to find the nearest library easily.
