

Nelson Air Quality Plan

proposed plan changes

The following table provides a complete list of all proposed Plan Changes that affect the Nelson Air Quality Plan.

Proposed Plan Changes are indicated in the Nelson Air Quality Plan with a black octagon symbol showing the Plan Change number placed as near as practical to the title of the provision subject to change.

For full details of a proposed Plan Change and its current progress through the First Schedule RMA process please refer to Nelson City Council website: www.nelsoncitycouncil.co.nz (use plan change name as search phrase).

Nelson Air Quality Plan: Proposed Plan Changes

Plan Change	Type	Summary	Notified
 Alignment with NES for Air Quality	Council	<p>Proposed Plan Change A2 makes two changes to align it with the National Environmental Standards for Air Quality (NES). The Government recently amended the NES to increase the time for compliance with the standard for particle matter (PM10). This Plan Change proposes to:</p> <ul style="list-style-type: none">• Amend the target dates for compliance with the PM10 standard in Policy A5-1.4 to align them with the new NES dates, and• Remove that part of the rule requiring the compulsory phase-out of domestic enclosed burners in Airsheds A and B1 installed after 1 January 2000 and which are not compliant with the emission requirements in the Air Quality Plan i.e. essentially burners installed 2000 - 2003 (when the Air Quality Plan was notified).
